

Without syntastica:

```
fn fib(n: usize) -> usize {  
    if n < 2 {  
        n  
    } else {  
        fib(n - 1) + fib(n - 2)  
    }  
}
```

With syntastica:

```
fn fib(n: usize) -> usize {  
    if n < 2 {  
        n  
    } else {  
        fib(n - 1) + fib(n - 2)  
    }  
}
```
